07 INSIGHT MEDIA CITY KOCHI, INDIA.

08 STUDY WORLD COLLEGE OF ENGINEERING COIMBATORE, INDIA.

09 STUDY WORLD COLLEGE OF DESIGN AND MEDIA COIMBATORE, INDIA.

THE GROUP

Study World Group, started in 2005, and growing steadily on a global scale is an education management organization providing students worldwide with education of international standards. Our services include administration, marketing, recruitment, infrastructure support, transportation and housing among many others. Under the guidance of our founder - entrepreneur - educationist Dr. Vidhya Vinod and the able management of our Chief Operating Officer Mr. Raymi Van der Spek; Study World has expanded across all the major continents providing quality educational service ranging from K-12 Schools to Universities.

THE INSTITUTION

Started in the year 2009 Study World College of Engineering (erstwhile Kalaivani College of Technology) has discharged four batches of engineers in various disciplines. A vibrant environment is provided to both Faculty and Students to nurture their hidden potential and to foster, to emerge as Intrapreneurs and further as Entrepreneurs. Ample opportunities are offered to exhibit their talents in both curricular and co-curricular activities. Alumni are adorning all over the globe in numerous organizations.

"Today's Global Education, for Tomorrow's Global Citizen"

INFRASTRUCTURE

Situated in a spacious area of land away from the hustle and bustle of city life, the institution provides the perfect ambience required for learning. The college boasts of over 24 acres of land allocated and developed for Academic and Physical Education activities.

There are separate hostel and mess facilities for both boys and girls, with all safety and sanitation measures ensured.

The college has a vast resource of books and journals in its modern and well built library. The books cover all the topics required for all engineering and technology students.

The library provides internet access for the students and also augmented by digital library service.

There are different labs in our college catering to the various branches of engineering, science and humanities.

Laboratories

▸ Strength of Materials Lab
▸ Hydraulics Engineering Lab
▸ Computer Networks Lab
▸ Compiler Design Lab
▸ Micro Processor & Micro Controller Lab
▸ Microwave Engineering Lab
▸ Control Systems Lab
▸ Electrical Machines Lab
▸ CADD/CAM Lab
▸ Thermal Engineering Lab
▸ Mechatronics Lab
▸ Chemistry Lab
▸ Communication Skills Lab

Teaching staff are well trained in their area of teaching, apart from being proactive to student queries and clarification regarding academic and as well as personal needs. Acting as a second parent in campus with great care and compassion.

UNIQUE FEATURES

- Students exchange program
- Faculty exchange program
- Students fellowship program
- Industrial visits
- Overseas short term internships
- Lecture by industry experts
- Industry Institute interaction
- Career guidance training

- End semester project guidance
- Hands on training in live projects
- International curriculum exposures
- Language lab for english skills
- Well experienced teaching fraternity
- Students welfare centre
- Student centric management
- Industry & Professional Certifications

NEW PROGRAMME STRUCTURE

To enhance our students and make them employable, new program structure is being introduced for 2016-17 intakes that includes Foundation, Core Engineering Subjects and Skill Development courses.

STRONG FOUNDATION **+** CORE ACADEMICS **+** INTERNATIONAL QUALIFICATIONS **=** INDUSTRY READY STUDENTS

INTERNATIONAL EXPOSURE

International Exposure to the students at Study World Coimbatore will be our promise. Hence the same will be integrated into our new learning system which will be delivered through our Group of Institutions and other Partner Universities.

Student Exchange Program

Visiting Lectures From Foreign Universities

Overseas Projects & Interns

Masters & Finishing School

ENGLISH LANGUAGE FOUNDATION

A comprehensive program for English language skills for the first year students in place that would enhance the overall English competency across the four skills: Speaking, Listening, Reading and Writing .

"**Facilitating International Education for Individual Enhancement**"

VALUE ADDED PROGRAMME

B.E. MECHANICAL ENGINEERING

COURSES	CERTIFYING BODIES
Automation Training	Siemens
FANUC & CNC TRAINING	FANUC America Corporation
Creo-2 / Solid Works	Parametric Technology Corporation
CATIA	Dassault Systems
Ansys	ANSYS Inc.

B.E. CIVIL ENGINEERING

COURSES	CERTIFYING BODIES
AutoCAD	Autodesk
Revit	Autodesk
STAAD.Pro	Bentley
Microsoft Project	Microsoft
Primavera	ORACLE
MX Road	Bentley

B.E. ELECTRONICS & COMMUNICATION ENGINEERING

COURSES	CERTIFYING BODIES
C and C++	Microsoft
Java	Oracle
Linux	Red Hat
Mechatronics	Siemens
VLSI	TIFAC
CCNA & CCNP	Cisco
Embedded Systems	TIFAC
IOT	Cisco

B.E. ELECTRICAL & ELECTRONICS ENGINEERING

COURSES	CERTIFYING BODIES
Solar Smart Energy Systems	Roboversity
Electrical CAD	Autodesk
Embedded System Programming	Vector Institute
Internet of Things	Axelta Lot Academy
Automation Training	Siemens

B.E. COMPUTER SCIENCE & ENGINEERING

COURSES	CERTIFYING BODIES
CCENT	Cisco
MCDBA	Microsoft
Computer Graphics & Illustration	CIW
Mobile Appilication Development	Andriod ATC
Web Designing	CIW
CCNA	Cisco
SCJP	ORACLE
IOT	Cisco

Note: These courses will be offered in different stages on the request of the students on payment of the appropriate additional fee towards the same as fixed by the vendors respectively.

M.E. COMPUTER SCIENCE & ENGINEERING

HIGHLIGHTS

- Research based learning
- Highly Productive career in Industry
- Corporate affinity Programmes
- Hands on experience in real time projects.
- International exposure through Students & Faculty exchange programs

RECRUITERS

STUDY WORLD, NOW IN **NAMMA KOVAI**

Programme

B.E
- Civil Engineering
- Computer Science & Engineering
- Electronics & Communication Engineering
- Electrical & Electronics Engineering
